<u>Overview</u>

Look forward to a new learning experience as we deliver the Level II Income Tax (Corporate & Business) to you via virtual classroom. Through the virtual classroom, you get to learn, interact with our trainers and reinforce your learning through discussions and case studies.

This programme covers in-depth knowledge in income tax principles and concepts on taxability, deductibility and capital allowances relating to sole-proprietorships, partnerships and companies. An overview of Goods and Services Tax will be covered to create a basic level of awareness in most GST concepts and principles. As more businesses are going cross-border and thus a need to deal with cross-border tax issues, an overview of tax treaties will be covered to provide a basic understanding on tax treaties.
